

## **Volunteers Needed for Special Recreation**

Do you need to fulfill some volunteer hours for school? Or are you looking to volunteer your time to a worthy cause? You may have found the right place! Consider being a volunteer for Special Recreation Services of Northern Lake County. We provide special recreation services to persons with a wide range of disabilities and are always looking for volunteers to help with programs. If you are 18 years or older, and interested in learning more about volunteering for this worthwhile cause, please call 847-740-9828 and ask to speak with Program Supervisor Jessica Jeffery-Findley for more information! Volunteers should have a positive attitude, be outgoing and friendly and enjoy working with people of different backgrounds. Imagine being able to put a smile on a participant's face, that's why we need you!
